

TEAM WORK ASSOCIATES CHRISTIAN CENTER AND CHRISTIAN SCHOOL

NEWSLETTER - JUNE 2005

Dear Friends and Associates:

Please accept special greetings for 2005 from your friends and co-workers at Teamwork.

I am still baffled as I read and re-read how God gave the plan and details of the blue print for the Temple to King David, the man whom he told that he did not want to build the temple for him but declared that Solomon his son should build the temple. (1 Chron. 8:10-21) In verse 10 David impressed on his son Solomon that the Lord said he must build the temple, he must be strong and of good courage and in verse 11 David gave him the plan. God has called and is still calling his people from several nations of the world to build the body for his glory. Together we can do what God requires any one of us to do.

In the sixties God showed me the plan and the name Team Work Associates Christian Centre while I was living in England. I saw some of these buildings that now serve the ministry and several more to be built for children, youth and senior citizens and more suitable buildings that will help in educating children and youth.

In the early seventies his instruction was "go home to Jamaica and setup a Christian Centre". I obeyed although I had never seen a Christian Centre before; neither did he tell me how the millions of dollars would be forthcoming to establish this Centre. The progressive revelation is still at work. "I will show you", and he is still showing me.

We are inviting you to take your turn in coming from the endless parts of the earth to make your input for whatever period the Holy Spirit will instruct and guide you to serve these potential leaders as special education teachers, youth workers or in whatever capacity God would have you to perform works of service, let us build the body with "the word" and win the lost through evangelism.

HIGH SCHOOL BOYS

TEAMWORK SCHOOL

Ten of the students placed by the Ministry of Education on the Rose II program have dropped out because of various challenges and another ten face the same fate without financial help. For these 10 we are soliciting help of U.S. \$300 each, to clear outstanding debt

and provide welfare assistance for next year.

Please let us know if you can help or know others who can.

KINDERGARTEN BOYS&GIRLS

In addition to students already on scholarship or receiving sponsorship help we would like to offer 7- five year scholarships for our grade 7 class. These would cost U.S. \$1000 for tuition per year.

We would very much appreciate your help with this.

PREP. SCHOOL BOYS

HIGH SCHOOL GIRLS

Although continuing in ministry in Jamaica and as members of Teamwork Church while serving in Montego Bay, Rev. J.D. and Susan Isbell are no longer able to serve as Pastor's Assistant. The church is making plans to appoint an Assistant Pastor so please bear this matter in prayer also.

The proposed extension to the church building to provide facilities for children's church, youth programs and hospitality has now been started, thanks to the special financial and practical help from the Incarnation Episcopal Church, from Dallas, Texas, U.S.A. Please pray concerning the work still to be done and the various fundraising projects being undertaken by the church.

Work Team from Dallas

Friends of Jamaica:

We express special thanks to the Muirheads and team for sharing in school devotions and publicity through Channel 93 (Jamaica).

Needs for prayer/finances

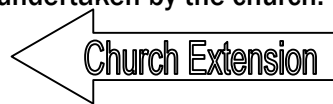

Welfare fund for students

Sponsorship for tuition fees.

Missionary teachers for special education

Church extension

Assistant pastor for Teamwork Church
