April 2010

Dear Partners in Prayer:

Praise God for fellowship in prayer and the work of the kingdom. These are indeed challenging times but we are thankful that we are on the victory side.

A portion of scripture that has been ministered to us recently comes from 2 Kings 1:7, we are believing God for the "iron axhead" to float and abundant restoration to be made to Teamwork.

Thank you for praying for our work and for your moral and practical support.

Western Jamaica Christian Teaching Conference 2010

The Western Jamaica Christian Teaching conference 2010 was held from February 17-21 under the theme "The Holy Spirit moving in our lives, community & nation".

The children were ministered to by workers from the Teamwork church children's ministry & a team from Youth with a Mission.

The youth had gospel artistes Jason Mighty, Teena Tamara and D. J. Nicholas as well as speakers Derrick Poplin and Dean Brown from Christ Alive, Kingston & New York.

At the adult conference special ministry in music and dance were provided by the Teamwork church Praise team, Friends Music group, Todah Dance Troupe, Montego Bay Church of God of Prophecy & the Craigie's group.

Dean Brown, Dan & Claudia

Dennison from the U.S.A. and Naila Ricketts from Kingston, ministered the Word of God.

The conference was spiritually invigorating, practically beneficial to usher us into the prayer mode to receive the March ministry of Pastor Shirley-Ann Chong from the Intercessory Prayer Network.

Teamwork Church

Teamwork Church seems to have stabilized and we, as Paul said, "are pressing on, forgetting those things which are behind and reaching forward to those things which are ahead".

Our newest adventure is the Young Adults group for ages 17 – 30 years old. They ate up the "Word" as well as the snacks, and enjoyed their fellowship time. It was planned for once a month but with their enthusiasm they want to meet twice a month. We are excited about that.

We are blessed to see new faces coming and getting changed by the Word of God, also being healed and delivered.

Teamwork Retreat and Conference Centre

Thanks be to God, who causes us to triumph. We want to say special thanks to the different persons and groups who used our facility since January, Dr. Rich Montgomery and his team, Mr Louder & family, Dr. Goulbourne, The Swansons, Esher Full Gospel Church, Glendevon New Testament Church, Jamaica Baptist Union,

Pregnancy Resource Centre of Jamaica.

We also look forward for the other scheduled groups and work teams that will be using our facility for the rest of this year.

Teamwork School

Enrolment was further reduced for the 2009-2010 academic year and our challenges compounded in several ways. However we see a new day dawning and positive results from our process of restructuring.

School Board- A new school board under the chairmanship of Miss Doris Parchment was appointed for the 2009-2012 period and attention is being given to the specific ways in which each member will serve.

E-Learning Jamaica- Teamwork High School is part of the e-learning project (www.e-ljam.net) and teachers are currently being trained.

Computer Project- We are most grateful to the team led by Pastor V. Ricardo Thomas and those in Michigan who are part of a fund-raising project to assist with the use of technology to enhance the teaching learning experience at Teamwork School. The gift the team brought in February enabled us to refurbish our computer training lab just in time for the e-learning training of teachers and to facilitate preparation for GSAT through GO-GSAT and general use by our students. That project is still ongoing and we ask for your prayers that the efforts of those who seek to help us will be rewarded with good success.

Sponsorship- On behalf of our

students & parents, special thanks are extended to those who help with sponsoring.

We are especially grateful to the group from Minnesota who have joined in this venture.

Please encourage others to help in the education of our children and be in prayer for our children and youth.

Marketing & Publicity- We keep hearing that Teamwork School must be one of the best kept secrets in Montego Bay and so we have embarked on a renewed marketing and publicity drive. The input and help from our supporters will certainly be greatly appreciated.

Word from Chairman- Teamwork Trust

The man of God known as “the weeping prophet”; after all that was said and all that happened to him in the slimy pit as his grave, declared in Lamentation 3:37, “who is he that saith and it cometh to pass when the Lord commandeth it not?”(KJV)

He was able to speak with this assurance because as he says in Jeremiah 15:16, “Thy words were found and I did eat them and thy words were unto me the joy and rejoicing of mine heart for I am called by thy name O Lord God of hosts”.(KJV)

Many countries and people including servants of the Most High God are under siege and wondering why. We serve our God whose words are yes & amen! Let the word of God dwell in us richly.

Please sing this song with me as you eat the word of God like Jeremiah.

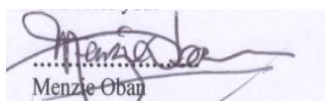

You are not a God created by human hands. You are not a God dependent on any mortal man. You are not a God in need of any thing we can give by your plan, that's just the way it is.

You are God alone from before time began, you were on your throne. You are God alone, and right now in the good times and bad, you are on your throne, you are God alone.

You are the only God who's power none can contend. You are the only God whose name and praise will never end. You are the only God who is worthy of everything we can give. You are God and that's just the way it is.

Unchangeable, unshakeable, unstoppable, that's what you are.

Let us keep our eyes on our God who is the present help in trouble.
